

## Manatee County Judicial Center

Bradenton, FL

The Manatee County Judicial Center needed some serious technology upgrades, and BCI Integrated Solutions answered the call to provide a comprehensive technology package for the facility. We installed audiovisual, security, fire alarm, and data infrastructure systems throughout the center, bringing its monitoring and communications into modernity.

The data system required over 2,000 Cat 6 drops, almost 600 fiber connections, 28 data racks, and a variety of patch panels for Cat 6 and fiberoptic wiring.

The extensive data infrastructure is used to fuel many of the Manatee County Judicial Center's necessary systems, including 125 Panasonic cameras using a Panasonic matrix. The surveillance system integrates with the access control system spanning more than 100 doors, and monitors courtrooms, detention areas, jury rooms, and the exterior.

The video surveillance system also used GE Symdec DVRs to provide more than 20 days of continuous recording capability for the Panasonic cameras.

BCI also bundled a fire alarm system with our data, surveillance, and audio visual solutions to round out the building's tech upgrade.
